Hello Chief,

How are you doing? I hope you are getting settled into your new home in El Paso. Everyone missed you at the Florida Fire Chief's conference as I heard your name mentioned several times (yes, in a good way). Anyway, the next time you are in town we need to get everyone together out on the golf course again.

I spoke with Mike this morning and he wanted me to provide you with the ADPI-Intermedix contact in Texas. Rhonda Thomas would be the initial contact and her contact information is as follows:

Rhonda Thomas, Corporate Development Director
rthomas@intermedix.com
405-962-9162

As we discussed prior to you leaving the City of Hialeah, we have a significant presence in Texas and feel that the City of El Paso would greatly benefit from our specialized services. Please go ahead and reach out to Rhonda and she will be able to arrange a meeting to discuss the EMS billing needs of the City.

As always, we appreciate your support and we look forward to the opportunity of meeting with you in the near future to discuss what ADPI-Intermedix can bring to the City of El Paso.

Thanks,

Darryl Hartung
